[85 LPA in hand salary](#)? You're looking at roughly ₹4.8 to ₹5.2 lakhs/month post-tax. 💰

Now, before you start planning that Tesla or Goa villa, let's decode what you *actually take home* after HR's magic math. At [TheSalaryInHand.com](#), we break down your dreamy CTC into reality—with zero jargon and full transparency.

[85 LPA](#) ≠ ₹7.08 lakhs/month. Nope, that's just the top-line number. You'll lose a chunk to taxes, PF, gratuity, and unicorn startup "benefits" you never asked for. What lands in your bank is **the in-hand salary**, and that's

what actually matters when you swipe that credit card.

We factor in:

- **Income tax slabs (ouch)**
- **Deductions (thank you, 80C)**
- **Bonuses & variable pay (aka corporate gambling)**

 *Fun Fact:* At [85 LPA](#), you're already in the top 1% of Indian earners.

 *Another Fact:* Your HRA and city of residence can swing your in-hand salary by ₹20k+.
